

What is GenSend?

- GenSend is a transformative summer experience that equips students to grow as a disciple, live on mission and discover God's kingdom calling.

GenSend serves three audiences:

1. GenSend Participants (primary)
2. Church Plants (secondary)
3. Sending Churches (secondary)

GenSend Participants will experience transformation.

Church Plants are supported, enhancing their ability to engage their city, reach new believers and disciple them effectively.

Participants return to **Sending Churches** better equipped for ministry and mission, both now and in the future.

Participants experience transformation in three key ways:

1. **They will grow as a disciple.**
 - a. They will be disciplined in a missionary context.
 - b. Their faith will be deepened

2. They will learn to live on mission.

- a. They will do this by engaging in the Send Network Missionary Task:
 - i. Engage the city with the gospel.
 - 1. They will grow in their ability to share the gospel with others.
 - ii. Make disciples.
 - iii. Help plant churches.

3. They will discover God's kingdom calling.

- b. They'll be challenged to leverage their vocation after college in strategic locations to see God's kingdom expand.
- c. The phrase that best captures this is this: "GenSend is More Than a Summer."
